*Rider 93, Richard Birtwhistle, had a 14:05 late start

Thank you to all the riders that notified me that they would be a DNS before the event, there was only one of the 15 reserves that wasn't placed by Saturday night 😊

Well I hope everybody enjoyed the new course, there seemed to be lots of smiling faces around the result board, which is always a good sign.

Congratulations to all the award winners, but especially to Richard Bideau for recording the second fastest 100 ever, though some might say that should be third! I know it doesn't make up for the disappointment of last year, but an outstanding ride and given even better conditions maybe the course could be sub 3:20 ?

Congratulations also to Alice Lethbridge, her first attempt at the distance and a super ride that should set her up nicely in the ladies BBAR.

I would like to thank all the helpers that came out from the ECCA clubs to marshal at such an unearthly hour and special thanks to Dave Nock who took over on the day so that I could ride, Dave also put all the fantastic signs out on the Saturday as well, also a big thank you to Tim & Becki Groves our timekeepers.

Thank you to all the riders for supporting the event and being nice and quiet on your arrival at the HQ, it's a great facility, I was surprised not to see anyone in the bar after celebrating, but then the clash with father's day maybe riders had to get home, see you next year.
